

2021 STORM DAMAGE

Medina County Appraisal District would like to let taxpayers know that if you still have repairs that need to be made to your home from the snow storm or hail storm contact the office and you will be advised as to the information needed to make possible adjustments to your property. Property is appraised as of the condition of the home on January 1st. If you have current pictures or estimates for the repairs those will be helpful in applying a fair value to the property. You may contact the District at 830-741-3035 or by email to cs@medinacad.org. Please include owner's names and physical address of the property.
